DOGS KILL 39 HEAD OF SHEEP

ROBERT CROW LOSES 32 LAMBS AND 7 EWES IN A CANINE RAID SATURDAY NIGHT.

SEVERAL OTHERS INJURED

As a result a sheep raid, made by a dog or dogs, some time Saturday night, at the sheep pasture, about two and one-half miles northwest of town, belonging to Robert Crow, 32 lambs and 7 ewes are dead. Several others are bitten and seriously torn.

The pasture, which is in Greencastle township just north of the Crow school house was occupied by about 20 ewes and lambs. The raid was made during the late hours Saturday night. No persons had seen any stray dogs around the neighborhood Saturday and a strict search Sunday morning failed to find any. Most of the sheep were badly torn and many of the small lambs were almost eaten up. The loss is estimated at slightly over \$200. Although the appraised loss will be paid to Mr. Crow by the township, he still will be loser, from the fact that the lambs were in good healthy condition and probably would have brought big prices next fall.

The many losses reported by farmers during the past few months from dog raids on sheep, are causing much indignation. Many of the farmers threaten to shoot any dog seen on their farms. A more strict enforcement of the ownerless dog law, would not only be a benefit to the county, but would lessen the losses of the farmers. The various townships, also, pay a good deal each year for losses caused by dogs, and much of this would be saved, if every ownerless dog was killed.

THE LOSS NEAR \$4,000

The two story residence of Dr. and Mrs. W. A. Moser, who live in Belle Union, was totally destroyed by fire Tuesday evening. The fire, which probably started from a flue was discovered by neighbors at near 7 o'clock. The flames, which had started on the second floor of the house, were then bursting through the windows.

Dr. and Mrs. Moser, were not at home, having driven to the home of Mr. Moser's mother, about four miles from Belle Union. The neighbors managed to save some of the household furniture but the loss will amount to near \$4,000. Dr. Moser had insurance on his property.

There probably have been few damage suits tried here or venued from here to other courts, that have attracted as much attention and have been watched as closely, by Greencastle people, as the case of Mrs. Lammers against the interurban company. There were many witnesses and spectators from here who attended the trial and the remainder watched its progress through the newspapers. Monday evening, after it became generally known that the case had gone to the jury, there were many inquiries as to whether a verdict had been returned or not.

DEATH OF MRS. AGNES L. DAGGY

PIONEER RESIDENT OF GREENCASTLE EXPIRES AT HER HOME, ABOUT 8 O'CLOCK SATURDAY MORNING.

FUNERAL SERVICES MONDAY

The death of Mrs. Agnes Lee Daggy, widow of the late Addison Daggy, a pioneer Greencastle attorney, occurred at her home on East Washington street, at about 8 o'clock Saturday morning. She is survived by two brothers, William A. and C. G., both of this county and three children: Miss Kathryn Daggy, of Princeton, Cal.; Miss Hadde and Albert A. Daggy of this town. The funeral services will be held at the home some time Monday. However, the hour has not as yet been set.

Mrs. Daggy was a daughter of Mr. and Mrs. William Lee, deceased, of this town. She received her primary education in the public schools of Greencastle and later attended the old Laraby Seminary. On February 22, 1860, Mrs. Daggy, then Miss Agnes Lee married Mr. Daggy. There were five children born to Mr. and Mrs. Daggy, three of whom, as above named, are now living.

The deceased had been in ill health for a number of years. However, she had been confined to her bed for less than four weeks. The immediate cause of her death was cancer. Mrs. Daggy would have been 78 years of age, had she lived until the 8th day of next July.

SHOWS THAT TOWN IS POOR

What is the wealth of Greencastle? That is a question few people in this city could answer correctly. The following shows the wealth of the city, both in personal property and the city improvements. The total improvements in Greencastle are valued at \$555,325. The total personal property, not including bank stock, is \$380,565. This includes all personal property, notes, cash, bonds and credits.

The total taxable property, not including bank stock, railroads, telephone property, telegraph and express property, is valued at \$1,177,720. Taking the population of the city in round numbers of 3800 and the estimated wealth of Greencastle including the above named properties, is about 2,000,000, this gives the average wealth of each resident of Greencastle \$529. Taking the estimated wealth of the United States in comparison with the populations and it shows, that should each inhabitant have an equal amount, each would be worth about \$1100. This shows that the average person in the nation is worth about twice the amount of the average Greencastle resident.

Dr. and Mrs. A. B. Lockridge, of Rockville, spent Sunday here with Mr. and Mrs. Albert Lockridge and Mr. and Mrs. F. A. Arnold.

MOSS CARRIES OUT PLEDGES

ONE OF CONGRESSMAN'S FIRST ACTS AT SPECIAL SESSION WAS INTRODUCTION OF SULLOWAY AGE PENSION MEASURE.

WILL PUSH IT THROUGH

Within an hour after the sixty-second congress convenes in extraordinary session, Representative Moss, of the Fifth Indiana district introduced the Sulloway age pension bill in the house. By so doing Mr. Moss made good a promise he made before returning to Washington several days ago and will carry out the wishes of the majority of the Civil War veterans of the Fifth District.

"The old soldiers of my district favor the Sulloway pension bill heartily and have substituted it for the \$1 a day pension bill, which they favored until a short time ago," explained Mr. Moss recently. "In the last month five G. A. R. posts in the Fifth district held meetings at Danville, Terre Haute, Brazil and Rockville, and at each unanimous resolutions were adopted endorsing the Sulloway bill. I promised my constituents that the first thing I intended to do when congress reconvened was to reintroduce the Sulloway bill. I made good in my pledge, and more than that, I am going to use my best efforts in seeing that the bill goes through."

FORMER PUTNAM MAN A SUICIDE

BODY OF CORNELIUS HASKETT, A TERRE HAUTE WAITER, FOUND FLOATING IN THE WABASH RIVER.

NOW SEARCHING FOR FATHER

Investigations regarding the body found floating in the Wabash river 24 miles south of Terre Haute Wednesday afternoon revealed the fact that the victim was Cornelius Haskett, a former waiter in Keith's Restaurant, 220 Wabash avenue. Coroner Jett returned a verdict of death by suicide.

While Haskett had many acquaintances, he had few intimate friends. No one could recall anything about his relatives except that his mother is dead and that his father moved from near Greencastle, Ind., where he owned a farm, and his whereabouts is unknown. It is said he is in Carlisle, Ind.

Men who knew the waiter said a physician told Haskett his heart was not supplying blood fast enough and that he might drop dead any minute. It is said Haskett suffered intense agony for a long time and that on the night of Jan. 29, he rented a room in the Stag Hotel. The next morning he arose before daylight, and that is the last seen of him until his body was found floating in the river.

No arrangements have been made for the funeral. The body will be held as long as possible until the company can communicate with his father, who is reported to be in Carlisle, Ind.—Terre Haute Tribune.

In a fire which destroyed the barn belonging to Thomas H. Morris, three miles northeast of Cloverdale about 10 o'clock Monday night, ten head of horses and colts several brood sows and some small pigs were destroyed, together with a large amount of corn, hay and several farm implements. The loss is over \$5,000, with only \$500 insurance. The origin of the blaze is unknown. When Mr. Morris and his family were awakened the barn was almost burned down.

HAVE OVER \$1200 PROMISED

J. F. Cannon, Charles Barnaby, Ed Harris and F. G. Gilmore, who are raising the fund for the cabinet factory, report that the committee is meeting with good success. Of the \$2800 needed, more than \$1200 has been promised by the business men of the city.

The committee has been working on raising the money for about three weeks, and so far have had little trouble in securing the promise of money. There is no definite time set for the raising of the entire amount, and the men predict little trouble in getting the \$2800. The money will be used in making additions to the building of the factory and to build new ones.

JURY GIVES MRS. LAMMERS \$1,000

AFTER DELIBERATION OF 20 HOURS, CLAY COUNTY JURORS AGREE ON DAMAGES TO BE GIVEN GREENCASTLE WOMAN INJURED BY INTERURBAN CAR.

ELEVEN FOR \$10,000 VERDICT

After having been out for 20 hours, the jury in the case of Mrs. Clara Lammers of Greencastle against the interurban company for \$25,000 damages, returned a verdict at noon Tuesday giving Mrs. Lammers, \$1,000. The case was tried in Brazil.

One juror, it is said, who was opposed to giving any verdict whatever, caused the jury to deliberate as long as it did, and finally caused the jury to return a verdict for \$1,000 when eleven of the jurymen had from the first favored a verdict of \$10,000.

The lone juror was so determined in his stand that the only hopes for a verdict at all was in an agreement for a small amount. After the twenty hours of deliberation the eleven who had favored the \$10,000 agreed to give damages of \$1,000.

S. A. Hays and Ben S. Corwin, who together with Judge McGregor, of Brazil, represented Mrs. Lammers, were greatly surprised at the same amount of damages given. Mr. Hays, who was informed of the action of the jury by The Herald, stated that the attorneys for Mrs. Lammers had not yet discussed what action they would take in the matter. It is probable, however, that a new trial will be asked for.

FIVE MAKE BIDS; ALL ARE REJECTED

CONTRACTORS WANT HIGHER PRICE FOR IMPROVEMENT THAN COST ESTIMATED BY CITY ENGINEER LANE AND COUNCIL ORDERS WORK RE-ADVERTISED.

SET APRIL 27 AS DATE

Although there were five bids filed for the work of improving the square, the council, at its meeting Tuesday night rejected all of them, and ordered the work re-advertised. None of the bids were as low as the estimated cost of the work, \$26,044.97, as figured by City Engineer Lane. L. J. Cooper, of Indianapolis, was the lowest bidder. Mr. Cooper's bid was \$27,241.41. The council set the date for receiving of the new bids and letting the contract on the evening of April 27.

There was little difference in the amount of each of the five bids, with the exception of Keagan Bros. of Brazil, whose bid was several hundred dollars above any other. The following are the names of the bidders and their respective bids:

J. L. Cooper, Indianapolis, \$27,241.41.
George T. Miller, Lebanon, \$27,249.62.
Allen & Mahoney, city, \$27,278.90.

Madison Construction Co., Anderson, \$27,944.09.

Keagan Bros., Brazil, \$28,388.09.

When the meeting opened Tuesday night there were about forty strangers at the meeting. Most of them were material men, who were there to represent their firms to the contractors. Each of the five bids was read. After the reading, City Engineer Lane retired to the court house to figure the total amounts of each.

The following is the itemized bid of Mr. Miller, who was the lowest bidder: walks, per square foot, 16 1/2 cents; lawns between walks and curb, per square foot, 2 cents; curb per lineal foot, 75 cents; catch basins complete, \$45 each; walk culverts, 12 foot, \$25 each; combined curb and gutter, per lineal foot, 7 cents; alley culverts, 12 foot, \$25; drain tile, in place, 6-inch, 30 cents; 8-inch, 40 cents; coal hole doors, \$32 each; coal hole rings and culverts, \$8 each; filling, in place, per cubic yard, 25 cents; concrete in place, per cubic yard, \$6.00; asphalt macadam, including excavating, per square yard, \$1.75. Steps at court house yard entrance, \$75 per set.

Other Work of Council.

The need of some repairs to the walks and curb on Seminary, Parke, Hanna and Anderson streets were reported to the council. These walks and curbs are guaranteed by the contractors. Mayor Miller took up the matter and is to notify the respective contractors to make the needed repairs. The matter of allowing damages to the property owners on Simpson street for the vacation of one-half of the street was laid over until the next meeting. Following this the following claim ordinance was presented and ordered to be paid:

BRAZIL MAN MAY GET GOOD GOVERNMENT JOB

WASHINGTON, April 6.—Chas. Riddell, of Brazil, private secretary of Representative Moss, may be appointed cashier of the sergeant at arms' office. The place pays a salary of \$3,400 a year and there would be no doubt whatever about his appointment if it were not for the fact that the Indiana patronage allowance is at low ebb.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-build ing, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it says better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

ELECT OFFICERS FOR YEAR

The first move toward a "Booster Club" and a "Greater Roachdale Industrial association" was begun in that town Wednesday evening by a banquet, given by fifty business men and professional men of that town. George W. Irwin acted as toastmaster for the occasion and the following toasts were responded to: Dr. C. C. Gillen, "Our Advantages;" W. R. Dean, "Fire Protection;" M. E. Chastain, "Cooperation;" J. W. Henson, "Building and Loan;" R. E. Green, "How to Make Others Know About Us;" W. V. Allen, "How to Make the Town of Roachdale More Prosperous;" Chas. McGaughey, "Greater Roachdale and How to Make 2500 Population in Two Years;" Dr. F. L. McAninch, "Shall We Organize?" F. H. Bowen, "How."

A bounteous spread was served at the Hotel Inman, after which the business men proceeded to the organization of a Commercial Club to be known as the Roachdale Commercial Club, with a membership of 50 men. General plans were outlined for a "Greater Roachdale" and to raise an industrial fund for the purpose of securing additional manufacturing and commercial industries for the town. Plans are already laid for a sewer system, water works, and a building and loan association for the city, also paved streets and a slogan of "Twenty-five Hundred or Die," by 1914, will be adopted.

Never before in the history of Roachdale has such an interest been aroused for its betterment. An addition something similar to the Indianapolis Mars Hill plan is now under consideration and the organization of a building and loan association.

The officers for the ensuing year are as Board of Directors of the Commercial Club: Joseph Cline, C. C. Collins, F. H. Bowen, O. R. Shepard, W. R. Dean, A. C. Lockridge, F. L. McAninch, J. L. Wilson, W. V. Allen and M. E. Chastain. Officers for the club for the year are O. A. Shepard, President; W. R. Dean, Vice-President; Dr. F. L. McAninch, Secretary and J. L. Wilson, treasurer.

DAMAGE SUIT NEARS END

The \$25,000 Greencastle damage suit of Clara Lammers against the Traction Company, which has been on trial in the Clay Circuit Court since Monday morning, is nearing its end. The plaintiff finished its side of the case this morning and rested and the defense is now having its inning. It is believed that the case will reach the jury by tomorrow afternoon. This suit has been one of the most bitter contested cases tried in the Clay Circuit court for a long time.—Brazil News.

Miss Julia Shubrick, who has been here visiting her cousin, Miss Julia Jean Nelson, has returned to her home in Indianapolis.

ANOTHER HOOSIER MAY BE PRESIDENT

HON. JOHN W. KERN IS BEING BOOSTED BY THE EASTERN NEWSPAPERS NOW.

MR. KERN SEEMS WILLING

Nearly all of the leading papers of the East have had something to say about the presidential boom of Senator Kern, since its appearance above the horizon was first announced a few days ago. The Washington correspondent for the Boston Herald thinks the boom will be handicapped by whisks. He has sent the following on the boom to his papers:

"The John W. Kern presidential boom has already been prefaced with cries of 'yez, Oyez' at Washington. The Hoosier Democrat now carries the threshold of the first big public office he has ever held, although he has been running willingly and often, but Senator John W. Kern has chin whiskers of the kind that are worn by gentlemen of high respectability down on the eastern shores of Maryland. In spite of the fact that Senator Kern is a very estimable man, Washington opinion is that he will be a great success as a presidential candidate. His fellow-townsmen, C. W. Fairbanks, of Indianapolis, survived a vice-presidential campaign with the same type of whiskers, but it was in the Roosevelt presidential year when everything went if it was only Republican.

TO STAND 100 YEARS YET

In reply to an account regarding the Brazil court house published in The Herald Wednesday, the Brazil Daily News has many witty things to say. We are sorry if we touched a sore spot in the minds of the Brazil people, and more so, if we injured the feeling of the Brazil News. It is not necessary for The Herald to say anything further about that famed Brazil legal mansion, as the following from The Brazil Daily News completely covers the story:

"Greencastle people are making insulting remarks about our court house. According to the Greencastle Herald, the residents of that town who have been coming to Brazil this week to attend the trial of the Lammers damage suit have been making fun of our county building and are calling it an old dilapidated and ransackable shack.

"The truth about the matter is the Greencastle people are jealous of our court house. They have a guady new thing which they call a court house, but it does not compare with our grand old structure which has stood the storms of almost forty years. It would be sacrilegious to tear down this fine old building with its many reminiscences of political battles and the town of Greencastle has just discovered what a grand mistake it made in tearing down their old court house and they are jealous of ours.

"The Greencastle people evidently are laboring under the hallucination that by ridiculing our old court house they will make us so mad that we will tear it down and then they will be even with us, but we are not going to be led into any such a trap. We expect to keep our fine old building as long as providence will permit. If it becomes dangerously shaky we can prop it up with telephone poles and go along transacting business just the same for the next hundred years or so."

DR. JOHN P. D. JOHN'S POSITION

Dr. J. P. D. John, while in Cincinnati delivering a series of addresses at Clifton Methodist church was interviewed by a reporter for one of the local dailies, but as so often happens under such circumstances, the clear statement of the interviewed was distorted into an approach to the sensational. Usually Dr. John pays no attention to inaccuracies of report, but in the present case the distortion, if generally read, would probably tend to interfere with his usefulness before the churches. He therefore addressed a note to the paper in question, in which he said:

"I was quoted in saying, 'In former days the intelligence of reason was not behind the man or woman who thought that he or she had been converted.' I said nothing of the kind. The subject of conversion was not discussed. I firmly believe in the historic Methodism. With respect to the popular amusements named in the Methodist Discipline, I distinctly said that I regarded them as evils, that I was opposed to them, and that they should be avoided by members of the Methodist church. I did say and repeat here, that in my judgment it would be better for the church to leave such matters to the individual conscience rather than to regulate them by legislation; but the heading of the interview, 'Believes in no rules binding members of the Methodist church,' is utterly misleading. A church, like a school or a state, without rules would be an absurdity."

MERCHANTS WILL PETITION

A movement is on foot to do away with the night clerk at the postoffice. Postmaster Lockridge has received a letter from the Government Postoffice Department advising him that the postoffice inspector in his last report has recommended that the night service at the Greencastle postoffice be discontinued and that one of the local postal clerks be transferred to some other office.

The doing away with the night service would be a great setback to the mail service here as it would delay the distribution of ten incoming mails until morning and the Greencastle business men would not be able to get their mail until 10 o'clock in the morning instead of at 7 o'clock as at present.

Beside delaying the distribution of the ten incoming mails, six outgoing mails, which are made up by the night man, would be delayed until the next day.

The business men and citizens are planning to petition the postoffice department to allow the service to remain as it is. Petitions will be circulated among the business men, University people and citizens and will be sent to the postal authorities.

YOUNG PEOPLE'S NIGHT.

At the Presbyterian church tonight at 7:30 will be held a special service for young people. Members of the high school chorus will sing. Mr. Henry Werneke will give a trombone solo and Mr. McGregor will have a vocal solo on the program. The pastor will preach a short sermon and several young people will offer testimonies concerning the Christian life. Old as well as young are invited, all are welcome.

The pastor preached last night on "The Parable of the Father." The attendance and interest were good.

CHLORAL ENDS DOCTORS LIFE

CHARLES A. O'BRIEN, OF FILLMORE, FOUND DEAD FRIDAY MORNING AT REAR OF PHILLIPS GENERAL STORE, IN THAT TOWN—HAD BEEN SEARCHED FOR HIM ALL NIGHT.

BELIEVE IT WAS SUICIDE

Dr. C. A. O'Brien, formerly coroner of Putnam county, and a practicing physician in Fillmore for many years, was found dead in the alley at the rear of the Phillips General Merchandise Store in Fillmore Friday morning at near 7 o'clock. An overdose of chloral, probably taken with suicidal intent, was the cause of his death. Dr. O'Brien was lying on the steps at the rear of the store. He probably had been dead since near 11 o'clock Thursday night.

There is little doubt among those who knew Dr. O'Brien well but that he committed suicide. During the past few weeks his condition has been such that he was closely watched by his family and friends.

He was in a highly nervous state on Thursday and his condition was such that watch was kept on him. However, he eluded his friends and members of his family Thursday evening. An all night search for him failed and it was not until Friday morning that his body was found.

Dissipation by the use of intoxicating liquor is said to have been the cause of Dr. O'Brien's condition. During the past few months, Dr. O'Brien became so dissipated that a petition was circulated in Fillmore, asking the state board to annul his license to practice medicine. The petition was circulated but never was presented the State Board. Dr. O'Brien, left Fillmore for Kentucky about three weeks ago and was gone until Friday evening.

Upon his returned he learned of the petition and the news caused him to become very nervous and quarrelsome. Ever since his return he had been closely watched. A man employed by the physician to stay in his office was with him most of the day Thursday. Dr. O'Brien, the man reports, had taken several doses of chloral during the day. It was an overdose of this drug which caused his death.

Dr. O'Brien left Fillmore Thursday afternoon and came to Greencastle to see J. P. Allee, in whose hands he put several accounts for collection. He returned to Fillmore on the 4 o'clock car. From that time until near 9 o'clock he was around his office and the Phillips store. At that time he disappeared and he was not found until Friday evening.

When found his body was lying on the rear steps leading into the Phillips store. He apparently had fallen over dead as he attempted to enter the store from the rear. In a hip pocket the physician carried an open knife, the blade at least 5 inches long. The knife apparently was new and no one seems able to explain why he carried it.

Beside his widow and one son Dr. O'Brien leaves three brothers, Dr. William O'Brien, of Danville; Dr. Thomas O'Brien, of Stilesville, and Dr. Bert O'Brien, of New Winchester.

The funeral services of Dr. Charles O'Brien, who was found dead at Fillmore Friday morning, were held at the Christian church, at Fillmore, at 12 o'clock Monday Rev. W. H. Brown, of Fillmore, officiated. The body, accompanied by a large number of relatives and friends was brought here on a special car on the interurban. The car arrived here at about 2 o'clock and the body was taken to Forest Hill cemetery for burial.

The church at Fillmore was too small to accommodate the large crowd which had gathered to attend the services. Many relatives and friends come from a distance. The floral offerings were many and beautiful. The Fillmore lodge of Masons had charge of the services. The special car was met here by a number of the local lodge of Masons, who accompanied it to the cemetery.

REPORT OF THE SEVENTH MONTH OF PUBLIC SCHOOLS.

Friday the public schools concluded a prosperous month's work. This might have been said of each month at its close, except that a few schools of the lower grades whooping cough and measles have interfered with the attendance, and threw many children out of their proper classification, making trouble for them and their teachers. Every absence is a loss to the pupil and this always means trouble for two people. An average daily attendance of 95 per cent is considered good; but at no time this year has the per cent. of attendance gone below 96.5 per cent., the figures for the school months ending February 10th and March 10th. All of the preceding months the average per cent. of attendance was above 97. This month, it is 96.9 per cent., and the prediction is that it will go up another 4 per cent. the coming month.

The schedule of attendance by schools follows, viz:

| School | At. | Punct. | Tdy. |
|----------------|------|--------|-------|
| Whole system | 96.9 | 63.3 | 21-22 |
| High School | 97.2 | 65.7 | 2-2 |
| 4th year | 98.5 | 71.4 | 2-2 |
| 3rd year | 96.6 | 51.8 | |
| 2nd year | 97.6 | 75.0 | |
| 1st year | 96.3 | 68.4 | |
| District No. 1 | 96.6 | 50.0 | 14-14 |
| Grades 8 & 7 | 94.0 | 32.3 | 5-5 |
| Grades 6 & 5 | 97.4 | 60.4 | 2-2 |
| Grades 4 & 3 | 97.8 | 68.4 | 1-1 |
| Grades 2 & 1 | 96.3 | 52.3 | 6-6 |
| District No. 2 | 96.9 | 70.3 | 4-4 |
| Grades 8 & 7 | 98.3 | 78.4 | |
| Grades 6 & 5 | 97.6 | 68.7 | 3-4 |
| Grades 4 & 3 | 95.5 | 74.4 | |
| Grades 2 & 1 | 96.3 | 56.5 | 1-1 |
| District No. 3 | 97.0 | 57.8 | 1-1 |
| Grades 8 & 7 | 98.5 | 80.6 | |
| Grades 6 & 5 | 97.2 | 55.6 | |
| Grades 4 & 3 | 98.2 | 59.0 | |
| Grades 2 & 1 | 94.3 | 45.7 | 1-1 |

It is very plain that the janitors will have to transfer the "mark-

ers." District No. 3 will rejoice in both pictures next month. The honors fall to the Sevens and the Eighths and the Threes and the Fours. One class in the schools made a clear record.—100 in both attendance and punctuality, with no tardy mark: it is Grade 7, No. 2

FUNERAL SERVICE OF
MRS. DAGGY MONDAY MORNING

Large Number of Out-of-Town People Here, Called by Death of Well-Known Greencastle Woman.

Many out-of-town people were here Monday morning to attend the funeral services of Mrs. Agnes L. Daggy, whose death occurred at her home on East Washington street, Saturday morning. The services were held at the home at 10:30 o'clock Monday morning, Rev. Beaman, officiating. Interment was in Forest Hill cemetery. The pallbearers are: Roscoe Daggy, Elmer Crawley, Dr. Hawkins, W. W. Jones, James Walker, and Walker Albough.

A large number of the many friends of Mrs. Daggy attended the services. There were many beautiful flowers given by the relatives and friends, in honor of the remembrance of the deceased. Among the out-of-town people who were called here by the death are: Miss Charlotte Daggy, of Chicago; Mrs. Charles Jones, Mrs. Ella Browder, Mrs. Thomas Lee and Mrs. William Klatte, of Indianapolis; Mrs. George Morris and Miss Ota Bartlett, of Terre Haute; Mrs. R. Mrs. Allen and daughter, Miss Gwendolyn, of Bainbridge, were Greencastle visitors Tuesday.

MRS. LAMMERS TO ASK A NEW TRIAL

ATTORNEYS FOR GREENCASTLE WOMAN WHO WAS AWARDED DAMAGES OF ONLY \$1,000 WILL PETITION THAT THE CASE BE TRIED AGAIN.

AMOUNT IS NOT CONSISTENT

The attorneys for Mrs. Clara Lammers, who Tuesday was awarded damages of \$1,000 by a Clay county jury, for injuries received in an interurban accident, probably will ask for a new trial in the case.

S. A. Hays, who with Ben S. Corwin, were the local attorneys employed by Mrs. Lammers, stated Wednesday morning that such action would be taken. The grounds upon which a new trial will be asked is that the amount of damages is not consistent with the injuries received. The attorneys will allege in their petition that if Mrs. Lammers was not entitled to more than \$1,000 she is entitled to no damages whatever, and if she is entitled to damage at all, she is entitled to much more than was given her. Other grounds for a new trial also may be presented the judge.

VOICE OF THE PEOPLE.

To the Editor of The Herald:—

The citizens of Fillmore feel that we would not be doing justice to our deceased Doctor and his family without correcting some statements that appeared in the columns of The Herald last week concerning his death.

We speak for ourselves and for many others whom we have heard

speaking of this matter. We do not believe Dr. O'Brien committed suicide. Some of us who knew him best, know he loved his home, his family and his own life too well to do things like that. And we would rather think he lost his life by exposing himself to save the lives of others. As to his being so closely watched by his family and friends, it doesn't appear to us that he was so closely watched when he went to Greencastle and other places and attended to business without being attended by his family or friends. It seems to us if those who claim to know that the Doctor became so dissipated by the use of liquor would do more to get rid of the stuff and talk less of the man who falls when tempted, they would do more for the community and would not have to answer to the call of God, "Am I My Brother's Keeper?"

We have known Doctor O'Brien several years and have never seen him intoxicated. As to the petition circulated to have the Doctor's license annulled, it hadn't a very broad circulation, as few people seem to know anything about it, and people who knew of the wonderful success the Doctor has had in and around Fillmore, in the last year, (saying nothing of what he has done before this,) would not want such a thing to be done even if it were possible. We guess the State Board knew Dr. O'Brien as a successful doctor better than any one else. To show that the Doctor had many warm friends was expressed in tears streaming down the faces of men, women and children the morning he was found, and the remarks that were made by many. "This is the worst thing that ever happened Fillmore. Fillmore has lost a friend and a very useful man. No man had ever done more for the town of Fillmore than Dr. O'Brien." These and many other such remarks were made concerning his death. Our hearts are made sad by our loss. I am glad he will be judged by one who knows the hearts of all men and whose judgment is right, and who has said: "Judge not according to appearance but Judge righteous judgment." Therefore we are willing to leave all these things to God who will give every man justice and will not overlook the good he has done.

Signed—(Citizens of Fillmore.)

CAPITAL CITY MEN GIVE ADDRESSES

DR. HEATH AND DR. NOBLE OF INDIANAPOLIS GIVE INTERESTING AND INSTRUCTIVE TALKS BEFORE PUTNAM COUNTY MEDICAL ASSOCIATION TUESDAY NIGHT.

SEVERAL VISITING DOCTORS

There were several visitors at the bi-monthly meeting of the Putnam County Medical Association meeting, which was held at the office of Dr. Sudranski Tuesday evening. Among the visiting physicians were: Dr. T. B. Noble and Dr. F. C. Heath, of Indianapolis; Dr. Carter, of Clayton; Dr. Batman, of Crawfordsville; Dr. Price, of Ladoga, and Dr. Hope of Coatesville.

Dr. Heath gave an interesting address, subject: "The Eye As An Indicator of General Disease." Following this Dr. Noble addressed the members of the association on "Cancer." Both addresses were interesting and instructive. After the two addresses the fourteen physicians who were present discussed several of the many problems of the profession at present day. About 10 o'clock the "medics" went to the Crawford Restaurant, and were the guests of the association at lunch.

SELL AT FIFTEEN CENTS

What would Easter be without eggs and flowers? Although the weather indications for the week suggest that the flowers will be none too plentiful, there will be an abundance of eggs. The children may use glass eggs in the Easter novelties, but there is no need to put the glass eggs on the table to indicate to the children that the day is Easter. Mother Hen is excelling herself this year and her products are already flooding the market and local grocers are selling good, fresh country eggs at 15 cents and they say the eggs are plentiful and the prices will continue to be cheap. Duck and turkey eggs are not numerous. Turkey eggs are selling for 50 cents, and duck eggs bring about 17 cents.

Easterlids is suggested in many places on the business thoroughfare. In the ten cent and novelty stores the Easter novelties which have become popular with the children in late years are displayed and the drug stores are decorating their display windows with the egg dyes and fancy colorings for Easter. The millinery stores for several days past have suggested the Annual Easter display of "bonnets," while the clothing stores have displayed new Easter Toggerly for several days.

The body of Mrs. G. Cummings, whose death occurred at her home in Muncie a few days ago, arrived here at 3:55 o'clock Wednesday afternoon on the Big Four. It was taken direct to Forest Hill cemetery. Mrs. Cummings formerly lived here.

WONDERFUL CURE OF SORE HANDS

Skin Peeled and Flesh Got Hard and Broke—Blood Flowed in Fifty Places—"Single Box of Cuticura Ended Suffering."

"About eleven years ago I was troubled with sore hands, so sore that when I would put them in water the pain would very nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything that I was told to use for fully three years, but could get no relief. I tried at least eight different doctors, but none of them seemed to do me any good, as my hands were as bad when I got through doctoring as when I first began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings when I got up, to think I had to go to work and suffer the pain for ten hours, and I often felt like giving up my position."

"Before I started to work mornings I would have to wrap every finger up separately, so as to try and keep them soft and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves in bed. In fact, I had to wear gloves all the time. After doctoring for three years, and spending much money, a single box of Cuticura Ointment ended all my sufferings. It's been eight years since I used any and I don't know what sore hands are now, and never lost a day's work while using Cuticura Ointment. Thomas A. Clancy, 310 N. Montgomery St., Trenton, N. J., Nov. 11, 1909."

A single set of Cuticura Soap and Ointment is often sufficient, rendering it the most economical treatment for affections of the skin and scalp. Sold throughout the world. Foster Drug & Chemical Co., Sole Props., 135 Columbus Ave., Boston, U.S.A.

FINED FOR INTOXICATION

The charge of assault and battery against Roy Terry and Ralph Buis, who live near Belle Union, was dismissed, Thursday morning, and a charge of intoxication placed against them. Both pleaded guilty to the intoxication charge and each was given a fine of \$5 and costs. Both young men stayed their fine.

Terry and Buis were charged with pushing Miss Mary Curran, an operator at the telephone exchange off of the sidewalk and of making insulting remarks to her. The act was committed about 7:30 o'clock last Saturday night near the Locust street church. Both of the young men denied their guilt and stated that they could prove an alibi.

Prosecutor Sutherland decided that the evidence was not strong enough to warrant a trial on the assault and battery charge. However, it was said that both were intoxicated on that evening, so they were prosecuted for intoxication. John James was the attorney for the two young men.

Late Wednesday afternoon, William Brothers, owner of the Brothers Livery barn, sold the property to James I. Nelson and Fred Bryan. The deal has been on for several days, but no definite action was taken until Wednesday. Mr. Nelson and Mr. Bryan took possession of the barn Thursday.

The new owners said Thursday afternoon that several improvements would be made and that the barn will be enlarged. More horses and rigs will be added to the present equipment. The former owner, Mr. Brothers, will give his entire time to his farming interests, from now on. He had owned the barn for the past nine years. The purchase price was not made public.

UPLAND SCHOOL WORKING HARD

TAYLOR UNIVERSITY FRIENDS WILL MAKE STRONG EFFORT TO GET SHARE OF NORTHERN INDIANA CONFERENCE FUND.

ALL GOES TO DePAUW NOW

KOKOMO, Ind., April 5.—The Indiana annual conference of the Methodist Episcopal church began its sixty-eighth session here today and will end the meeting next Monday evening.

The question of sharing the educational fund with Taylor university, at Upland, instead of giving it all to DePauw university, at Greencastle, which has been the plan for years, will attain a great deal of attention from the members of the conference, and already the subject is being generally discussed.

The university at Upland has been gaining friends rapidly, and they are working hard. The general sentiment seems to be, however, that Upland will have to go without a share of the per capita tax for at least another year, or if it gets anything it will be a very small amount. The Rev. Monroe Vayinger, president of the Upland school, is not discouraged, and is working hard for his cause. The DePauw banquet will be held Saturday night, DePauw university paying all the expenses of the feast, at which 310 covers will be laid.

DRIVEN FROM PLATFORM

DENVER, April 5.—Seventy-five students, the entire junior class at Denver university, were expelled yesterday as the result of a clash between junior and senior classes when the latter attempted to hold class day exercises.

The senior class president was driven from the platform. The chancellor, the Rev. H. A. Buchtel, mounted the stage and announced that every member of the junior class was expelled and ordered them to leave the auditorium.

During his speech, the chancellor got no further than the announcement that the juniors were expelled when he became a target for potatoes, onions, lemons, cabbages, skyrockets, fire crackers and various other missiles. Mr. Butchel hurriedly retired, giving the juniors the possession of the auditorium.

Rev. Buchtel is a DePauw graduate and is well known here.

When a medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from loaf sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by all dealers.

Sweet Brothers Sell Interests in the Busby & Sweet Business on Southwest Corner of Square

A deal was consummated Wednesday afternoon which resulted in the new ownership of one-half of the Busby & Sweet Grocery store. Dora and Thomas Sweet, who formerly owned a half interest in the store, have sold their interests to Robert Pierce. The store will be known from now on as the Pierce & Busby Grocery Company. L. A. Busby, is the owner of the other half interest in the stock. Although the deal was made Wednesday afternoon, the new firm did not take possession until Thursday afternoon.

Midnight in the Ozarks.

and yet sleepless Hiram Scranton, of Clay City, Ill., coughed and coughed. He was in the mountains on the advice of five doctors who said he had consumption but found no help in the climate, and started home. Hearing Dr. King's New Discovery, he began to use it. "I believe it saved my life," he writes, "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, lagrippe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quinsy, it's the best known remedy. Price 50c and \$1.00. Trial bottle free. ELK MINSTREL MAKE BIG HIT

LARGE AUDIENCE WHICH FILLS OPERA HOUSE GREATLY PLEASED WITH SONGS AND JOKES OF THE B. P. O. E. SHOW.

THE SOLOISTS MAKE "HIT"

A screaming success. That is the verdict of all who attended the Elks Minstrel show Wednesday night. The end men were funny, the soloists were talented, the chorus was well trained and the program was well arranged.

It was a true minstrel show. There were minstrel songs, minstrel jokes, minstrel stage settings and minstrel costumes. When the curtain rose, after two numbers by the Elks' orchestra, John Cannon, as interlocutor, introduced the comedians of the evening. Harry Moore, and Earl Lane, were on the ends, with "Heavy Cannon, Sam Wilton, Reese Matson and Clyde Harris taking the part of the other "black faces."

The stage, decorated in Elk and American flags presented a most pleasing appearance. From the minute the curtain arose until the final chorus, there was something doing all the time.

Harry Moore, Sam Wilton, Earl Lane and "Heavy" Cannon were there with the end men songs, and each proved himself equal to the occasion. When some "Wag" sent a bouquet of beets and parsips, bound up in lettuce, to Heavy Cannon, as he had finished singing, "Your've Gwine to Get Something That You Don't Expect," the house had a spasm of laughter. Sam Wilton, singing "Abraham Lincoln Jones," made a hit. Harry Moore, as is always the case, made a hit with "Any Old Way You Cook Chicken" and Earl Lane was there with "That's a Plenty."

Then the end men took some keen shots at some of the Greencastle fellows. Judge Hughes, Andrew Hanna, Dan Besser, Jack Bryson, manager of the Putnam Electric Co., George Christie and Worley Timmons were among those who were mentioned by the jokesters. When Sam Wilton sprung one on the Electric Light Co., the audience was most appreciative. Sam intimated that a fellow whose eyesight was so inspired that he "saw double" had applied for a job reading meters.

The vocal solos by Miss Margaret Kreight, who sang "My Hero" and Raymond Jackson, who sang "I Want to Hear a Southern Tune," were specially appreciated. James Cannon, in an Irish monologue, Henry Werneke in a trombone solo and Ralph Cook and Albert Moran in solos were exceedingly well rendered.

Following is the program as given:

VANDALIA TO CUT ITS TRAIN SERVICE

Will Discontinue Two Fast Trains on Division Running Through Greencastle—Neither Stop at This Town.

Two fast Vandalia trains, the New York Limited, which passes through Greencastle at 6:12 o'clock in the evening, on its way east, and the St. Louis Limited, passing through this town at 7:35 o'clock in the evening, on its way west, are to be discontinued. The trains probably will make their last trip on April 30. As neither of these trains stop at Greencastle the change will be of little consequence to Greencastle people.

SENATOR TILDEN'S ADDRESS

A very plain and practical talk upon temperance was given to the Christian Endeavor Society of the Presbyterian church Sunday evening by Prof. F. C. Tilden. Prof. Tilden spoke of the confusion arising from the misunderstanding of leaders on each side concerning the attitude and motives of opponents. There he spoke of the fact that questions of taxation and business are not the important issues. If liquor drinking and liquor selling the legitimate and good for the community the money question need not be considered. If harmful or detrimental to the best interests, as not be licensed. We would not license murderer or thief. An evil ought not to be tolerated for money reasons. But after all local prohibition does not settle the question, for there are great fluctuations between "wet" and "dry" conditions, but the problem will be solved largely by the education of the raising generation.

CHANGE IN WOMAN'S LIFE

Made Safe by Lydia E. Pinkham's Vegetable Compound.

Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing woman's ills such as inflammation, ulceration, fibroid tumors, irregularities, periodic pains and nervous prostration, and it is unequalled for carrying women safely through the period of change of life.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

Even \$10 Hogs No Excuse for This.

While digging a ditch through a marshy tract of land on their farm last week, Fred and Will Hadley struck with their spades what seemed to be a number of unusually large boulders of peculiar shape. Rather than change the course of their ditch they were brought to the surface and to their surprise they were found to be counter parts in every detail of living hogs. There was no mistaking them for the fossil remains of some paleozoic monster for the identification was too easily made.

Almost twenty years ago while Ed Haynes was in the butcher business at this place, he lost a number of fat porkers from cholera and Sial Davidson distinctly remembered having buried them at this identical spot and in the meantime they have been slowly transformed into stone. When first discovered the bodies seemed comparatively soft, perhaps no harder than chalk, but on exposure to the air, they became considerable harder. —The North Salem Herald.
